Hi Jim-I tried to call late but you had gone-easier by phone to explain the process. Also, we may already have spare pipettes you can use-
I will try you tomorrow-I will be out of the office so can't leave a number for you-
Cathleen

Hi Cathleen,

We need to make a few purchases to comply with the Sudbury Drug Lab SOP i.e. PH meter and variable pipettes. Should I make the order or is this something your people will handle? Or do I need to contact someone else?

Thanks,
